End of Term News

As we come to the end of the Spring Term, it is time to reflect on the past three months. There have been some superb achievements in the classrooms, incredible sports matches, wonderful singing and performances, individual creativity and inspiring team spirit from the Nursery class all the way up to the senior pupils. We have had challenges to overcome but we are fortunate in our school to have such a strong team who pull together.

This term has finished on a high. This week the 1st XV rugby team completed an unbeaten season, the girls won their football match against Junior Kings and four of our senior children gained scholarships to senior schools. Badger Class made Irish Soda bread on Tuesday, working with a traditional Irish recipe. The Pre-Prep Mother's Day Service was a special occasion and a lovely way to end the term. My thanks go to the children for their endless energy and enthusiasm, to the staff for the commitment in their work and to you the parents for supporting us throughout this term. I wish you all a very Happy Easter holiday. Below are photos from this week and throughout the term.

Diary Dates

APRIL
