Issue 6

Message from the Headmaster

The past six weeks have flown by which demonstrates how busy we have been. The children have worked hard in class, enjoyed their sports matches, given some wonderful performances in the Informal Concert and the Harvest Festival and shown amazing community spirit.

My thanks go to the children for their enthusiasm, to the staff for their unwavering dedication to the job and to you the parents for your support.

I wish you all a great holiday with your children.

Football

Congratulations to the U11 team for their determination and skill in the Primary School Football tournament, finishing in 2nd place out of 12 schools. A brilliant performance.

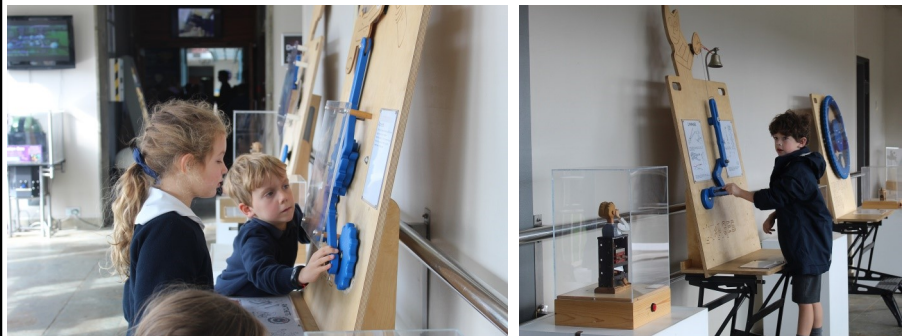

Named uniform

Please check over half term that all of your child's school clothing is named. It saves a considerable amount of time during the day if we know which item belongs to whom. Thank you.

Pre-Prep News

At the end of last week, Badger Class spent an amazing day at Herstmonceaux Science Observatory Centre. Along with exploring the hands-on exhibits, the children took part in scientific workshops.

Our Harvest Service was a wonderful way to end the half term. The children's voices filled the church. Thank you for your Harvest Donations, these will be given to The Deal Area Food Bank.

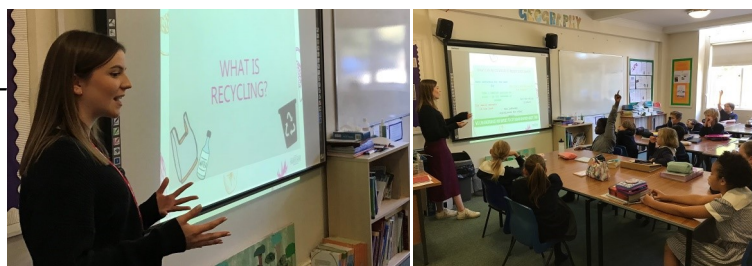

Boarding

Well done to all the boarders this first half of the term. They have had a busy six weeks settling in to the Northbourne Park community, making friends, playing sport, completing their studies as well as enjoying all the activities on offer. Time for a rest.

Sustainability

Anna Johnson from Holroyd Howe, our catering company, gave an informative talk to our pupils in assembly about food sustainability. Years 5 and 6 followed this up with an extra session to hear all about the problems of food waste and single-use plastic, and what we can all do to help. The children were all very keen to contribute their own ideas, it is clear we have lots of budding environmentalists in our school.
